Oklahoma National Stockyards Weekly Cattle Summary

Compared to last week: Feeder cattle and calves not well tested, but limited sales sharply lower. This lower market due to the blizzard in Western and Northwestern Oklahoma that has brought all travel to that area to a shut down. This weather system is moving east and expected to cause travel problems across much of the state by later on Monday. Due to these conditions all cattle were sold on Monday. There was no sale on Tuesday. A total of 45 cows and bulls sold and not enough to test the market. Receipts this week totaled 61 percent over 600 lbs and 52 percent heifers.
