Application for Participation in the South Carolina Agritourism Association Passport Program

The South Carolina Agritourism Association has created a PASSPORT to allow the public to visit SC Agritourism Farms and receive cool SC Certified gifts for their participation.

South Carolina is full of agritourism locations that offer crop mazes, u-picks, hayrides, wineries and many more! This passport provides a way of seeing what all SC Farms have to offer!

All the members of the SC Agritourism Association are invited to participate. Please fill out the application in its entirety, if your farm would like to participate. You will need to be willing to display the pass port poster, provide passports to customers who do not already have one and stamp their passport when they visit your farm. All these items will be provided to participating farms at no cost.

When visitors visit your farm, stamp their passport on your farms page. The more stamps they receive at the end of the year, the more prizes they will receive!

Prizes will include Certified SC T-Shirts, Certified SC Hats, Certified SC Tumblers, etc...

All returned passports will be entered in a chance to win a \$100 gift card at the end of the year!
