<b>Oklahoma National Stockyards Weekly Cattle Summary</b>									
Compared to last week: All classes of feeder cattle and calves were too lightly tested for an accurate market test but a steady undertone was noted. Demand moderate. Unseasonably cold temperatures over the weekend hampered livestock movement. Feeder cattle supply included 60 percent Steers, and 40 percent Heifers. Feeder cattle supply over 600 lbs was 78 percent.									
Sale not reported due to very limited receipts. Many areas of the trading region received a winter mix over the weekend limiting cattle movement.
