Oklahoma National Stockyards Weekly Cattle Summary									
Compared to last week: Feeder steers and heifers mostly 2.00-7.00 higher. Steer and heifer calves too lightly tested for an accurate trend. Demand good. Quality mostly average with several attractive lots on offer. Active bidding with out of state buyers sending cattle to Northern areas with ample grazing. Trading area drying up and causing producers to make a marketing decision sooner than they'd like. Supply included: 100% Feeder Cattle (50% Steers, 48% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 73%.									
Compared to last week: Slaughter cows and bulls sold mostly steady. Demand good. A total of 215 cows and bulls sold with 54 percent going to packers. The estimated dressed cost at the Oklahoma National Stockyards: Lean cows 126.00; Boners 129.00; Breakers 121.73; Light Weight cows 114.30; Bulls 153.55. Supply included: 54% Slaughter Cattle (91% Cows, 9% Bulls), 46% Replacement Cattle (43% Bred Cows, 57% Cow-Calf Pairs).
