Oklahoma National Stockyards Weekly Cattle Summary								Jul				63.69		
Compared to last week: Feeder steers and heifers 1.00-4.00 lower. Steer and heifer calves steady to 3.00 lower. Stocker cattle lightly tested with last week with some cattle selling sharply higher than a week ago. Demand moderate to good and definitely improved from the open. Cattle buyers were a little uneasy after another week of sharply lower cattle futures and sharp declines in cash slaughter cattle prices. Last Friday's Cattle on Feed report showed some positive with a slightly lower placement number than expected. Cattle futures closed higher today and stayed on the plus side since the open. Quality average to attractive on feeders with several heavy weight cattle available. Supply also includes several un-weaned or short weaned calves and these are selling to limited demand. Supply included 77 percent over 600 lbs; 31 percent heifers.								Oct				63.26		
Slaughter cows 1.00-2.00 higher. Slaughter bulls steady to 2.00 higher. Packer demand very good. Packers looking to fill kill requirements for the upcoming Memorial Day Holiday. A total of 225 cows and bulls sold with 57 percent going to packers.								Dec				62.54
