**SC Agritourism Passport Program Launches January 1, 2016**

**COLUMBIA-** The South Carolina Agritourism Association launches their inaugural Passport Program on January 1. Throughout 2016, visit participating South Carolina farms and have your passport stamped to earn Certified SC prizes.

Pick up your passport at any of the 44 farms who are taking part in the program. As you visit participating agritourism destinations, be sure to ask the farmer to stamp your passport. The more stamps you receive, the more prizes you will earn at the end of the year. One lucky participant will win \$100 worth of Certified SC Specialty Food products.

South Carolina has many agritourism locations that offer a wide variety of activities such as crop mazes, u-picks, hayrides, wineries, and more.
