**FOR IMMEDIATE RELEASE- December 5, 2016**

### **South Carolina Department of Agriculture to Host Food Safety Training**

**COULMBIA-** The South Carolina Department of Agriculture will host food safety training for farmers to prepare for Good Agricultural Practices (GAP) and Good Handling Practices (GHP) on Tuesday, December 13, from 9 a.m. until 2 p.m. at the South Carolina Farm Bureau office in Cayce, SC.

The training will include a food safety overview, updates on the Food Safety Modernization Act, information on the SC Farm to Institution program, a presentation from Clemson University Food Safety Specialist, detailed visual examples of the dos and don'ts of on-farm food safety practices, a review of the audit checklist for GAP/GHP, and instructions for preparing a standard operating procedures manual.

Registration is required by contacting SCDA at 803-734-2224 or registering online at <https://farmtoinstitution.eventbrite.com>. The SC Farm Bureau office is located at 724 Knox Abbott Dr., Cayce, SC.
