FY 2019 ORGANIC CERTIFICATION COST SHARE REIMBURSEMENT APPLICATION

The South Carolina Department of Agriculture (SCDA) has been awarded funds from the U.S. Department of Agriculture Farm Services Agency for the FY19 National Organic Certification Cost Share Program (NOCCSP). The purpose of the NOCCSP is to defray the costs of receiving and maintaining organic certification. For eligible certification costs incurred between October 1, 2018, through September 30, 2019, organic operations may request reimbursement until October 31, 2019. SCDA is authorized to provide reimbursements to certified organic operators for up to 75% of the operation's total allowable certification costs, up to a maximum of \$750 per certification scope: crops, livestock, wild crops, and handling (i.e., processing).

Please fill out a separate application per scope:
