Oklahoma National Stockyards Weekly Cattle Summary								Dec 76.81	
Compared to last week: Feeder steers and heifers few sales 3.00-5.00 lower. Steer and heifer calves traded sharply lower, mostly 6.00-8.00 lower, with instances up to 10.00 lower for un-weaned bawling calves. Quality plain to average. Several fleshy fresh off the cow calves were on offer. Rains of 4-8 inches prevalent in Western and Southern Oklahoma the past few days and this along with cooler temps limited demand for un-weaned calves. Demand light to moderate. Feeder cattle supply included 60 percent Steers, 0 percent Dairy Steers, 37 percent Heifers, and 2 percent Bulls. Feeder cattle supply over 600 lbs was 50 percent.								Mar 78.17	
Slaughter cows sold unevenly steady on light receipts. Slaughter bulls not well tested. Packer demand moderate. A total of 96 cows and bulls sold with 58 percent going to packers.								May 79.03
