Oklahoma National Stockyards Weekly Cattle Summary							
Compared to two weeks ago: Feeder steers 4.00-7.00 lower with instances of 9.00 lower. Feeder heifers 3.00-8.00 lower. Steer and heifer calves too lightly tested for an accurate market trend, however a much lower undertone is noted. Demand moderate. Quality plain average. Severe thunderstorms along with flooding rainfall has plagued the trade area over the past few weeks. Sharp declines on both the CME and Feeder cattle contracts have buyers being very selective. Supply included: 100% Feeder Cattle (58% Steers, 0% Dairy Steers, 40% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 75%.							
Compared to two weeks ago: Slaughter cows 1.00-3.00 higher. Slaughter bulls 2.00 lower. Demand good. Trade area experiencing a few days of dry weather and producers taking advantage and getting cull cows to market. A total of 408 cows and bulls sold with 57 percent going to slaughter. Estimated dressed cost at the Oklahoma National Stockyards: Lean 126.47; Boners 124.63; Breakers 121.1							
Light Weights Cows 115.85; Bulls 150.10. Supply included: 55% percent Slaughter Cattle (90% Cows, 10% Bulls); 45% Replacement Cattle (70% Bred Cows, 21% Bred Heifers, 9% Cow-Calf Pairs).
