Oklahoma National Stockyards Weekly Cattle Summary								
Compared to last week: Receipts limited due to winter storm late last week. Much of the state seeing anywhere from 3-7 inches of snow. Much of this snow drifted due to high winds and unfortunately most of the snow landed in sidebars and ditches. Demand extremely good for the light run. Feeder steers and heifers 2.00-6.00 higher, instance 8.00 higher. Steers and heifer calves 5.00-10.00 higher. Quality average to attractive. Supply included: 100% Feeder Cattle (52% Steers, 47% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 66%.								
Compared to last week: All classes lightly tested. Demand extremely good for the light receipts. Slaughter cows 2.00-3.00 higher, Lean cows 12.00-13.00 higher. Slaughter bulls sold 10.00 higher. As the most recent cattle inventory showed, cow numbers have declined and then coupled with winter weather causing lower numbers at auctions this is helping to improve demand. A total of 108 cows and bulls sold with 80 percent going to packers. Supply included: 40% Feeder Cattle (100% Bulls); 48% Slaughter Cattle (83% Cows, 18% Bulls); 12% Replacement Cattle (100% Bred Cows). Feeder cattle supply over 600 lbs was 0%.
