Oklahoma National Stockyards Weekly Cattle Summary								Oct	134.97
Compared to last week: Feeder steers steady. Feeder heifers 3.00-5.00 lower. Steer and heifer calves 4.00-8.00 lower. Demand continues better for the heavier weights. Demand light to moderate for calves. More un-weaned calves beginning to show and this looking more like a June run. Still waiting on the May wheat run to begin unless cattle sold early due to the drought or less graze out cattle due to high wheat prices. Though head count wise, we are close to the same a year ago, however we are far from the 81 percent over 600 lbs like last year. Quality so far average. Supply included: 100% Feeder Cattle (58% Steers, 40% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 69%.									
Compared to last week: Slaughter cows 2.00-6.00 higher. Slaughter bulls steady. Demand moderate to good. Quality average to attractive. A total of 320 cows and bulls sold with 72 percent going to packers. Supply included: 54% Feeder Cattle (100% Steers); 36% Slaughter Cattle (91% Cows, 9% Bulls) 10% Replacement Cattle (63% Bred Cows, 38% Cow-Calf Pairs). Feeder cattle supply over 600 lbs was 0%.
