## South Carolina State Farmers Market

**Dimension:** 612.0 x 1008.0

**Description:** The page contains a list of produce items with their respective prices and quantities. The produce includes tomatoes, squash, onions (dry), and other vegetables and fruits. The list is organized by category and provides details such as the type of produce, quantity, and price. The document appears to be a list for a market or a wholesale business, possibly for a specific day or event. The text is clear and legible, with prices noted in dollars. The list includes items like tomatoes, squash, onions, melons, and other produce items typically found in a market setting. The prices are given per unit, and the quantities vary, such as by the number of bunches, size, or weight. The document is structured to provide straightforward information for those buying produce in bulk. The listing includes both fresh and processed products, indicating a diverse range of items available for purchase. The document seems to be part of a larger collection of such lists, possibly for different days or events. The overall layout is straightforward, with a clear focus on providing the necessary information for buyers or traders to make informed decisions.
Happy Independence Day from SCDA Market News Division!
