<b>Oklahoma National Stockyards Weekly Cattle Summary</b>									
Compared to last week: Feeder steers mostly steady. Feeder heifers steady to 3.00 higher. Demand continues good for feeder cattle. Steer calves 3.00-8.00 higher. Heifer calves steady to 5.00 higher. Demand very good for calves. The spread between steer and heifer calves is getting much closer. Wheat pasture is maturing with some pastures showing signs of heading out. Another cold front is expected this weekend and along with it freezing temps. This could mean trouble from some wheat pasture. Quality mostly average. Some graze out wheat cattle included in supply, however more un-weaned calves are included in the mix. Supply included: 100% Feeder Cattle (56% Steers, 43% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 61%.									
Compared to last week: Slaughter cows 1.00-4.00 lower. Slaughter bulls 3.00-5.00 higher. Demand was good to moderate. Quality was average. Several cows returning to feeding in hopes of filling an expected gap due to light numbers to come. Supply included: 51% Feeder Cattle (100% Steers); 35% Slaughter Cattle (90% Cows, 10% Bulls); 13% Replacement Cattle (69% Bred Cows, 31% Cow-Calf Pairs). Feeder cattle supply over 600 lbs was 0%.
